Verify Your Identity

To protect your personal health information, we will send a temporary passcode to your phone.

We will text you a temporary passcode in the next 90 seconds. Please enter those six numbers below.

How would you like us to send the temporary passcode?

Email kemerson@athenahealth.com  
 Call (xxx) xxx-5707  
 Text (xxx) xxx-5707

[Show SMS Terms and Conditions](#)

3

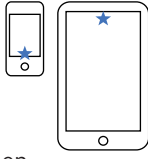

We will send you a temporary passcode by email, call or text. Enter the **temporary passcode**.

4

Create your new password. Your password must be 8-20 characters and include one upper and one lower case letter and one number or symbol.

## Here's how to add a patient portal button directly onto your device's home screen:

### Apple® Devices

-  Launch your Safari® browser and click on the patient portal link that we sent you, or visit *MyMSUHealth.hc.msu.edu*.
-  Tap the Share button located in the browser's toolbar.
  - iPhone: Center of browser bar at bottom of screen
  - iPad: Center of browser bar at top of screen
-  Tap the Add to Home Screen button. You'll be prompted to name the button, we suggest "My Doctor's Office".
-  The button will now appear on your home screen. Place it wherever you'd like by dragging it, just like any app icon.

### Android™ Devices

-  Launch your Chrome browser and click on the patient portal link that we sent you, or visit *MyMSUHealth.hc.msu.edu*.
- From the drop-down menu located in the top right corner of the browser, choose Add to Home Screen. You'll be prompted to name the button, we suggest "My Doctor's Office".
-  The button will now appear on your home screen. Place it wherever you'd like by dragging it, just like any app icon.

**Now, your patient portal is just one tap away.**
